## INTRODUCTION

The Marine Workers Welfare Plan and the Marine Workers Pension Plan are the result of collective agreements between the Marine Workers & Boilermakers Industrial Union, Local No 1, and employers who contribute to these Plans. **Each collective agreement is unique; you will only be eligible for the benefits outlined in this booklet if your employer contributes to that particular Plan. Therefore, if your employer does not contribute to one of the Plans, the section of this booklet that describes that particular Plan will not apply to you.**

The Plans are administered by a Board of Trustees appointed by the Union who may enter into arrangements with outside providers for some of the benefits. The Trustees are responsible for the administration and operation of the Plans, including the receipt and investment of all contributions and maintenance of the funds. In order to carry out these responsibilities, the Trustees may hire any or all of the following professionals:

- an administrator to maintain member records and process benefits;
- custodians to hold the assets of the funds;
- actuaries to value the Plans' liabilities and advise on the design and benefits of the Plans;
- auditors to verify the financial transactions of the Plans - investment counselors;
- legal advisors;
- any other professionals as may be deemed necessary by the Trustees from time to time.

The Trustees may amend the Plans' terms and conditions in order to meet changing conditions, appoint new advisors, and change fiduciaries as circumstances dictate.

This booklet contains an up-to-date description of the benefits provided by the Plans as of February 1, 2017. It gives only a brief outline of the benefits, rules covering eligibility, and the procedures to be following in making claims. It is intended to explain the Plans in everyday language. It is not a legal document; it does not create or confer any rights to any benefits that are not specifically granted by the Plan documents, Trust agreements, or the minutes of the Trustees' meetings. The Plans are not contracts of insurance but rather separate trusts, which hold employer contributions in order to provide certain benefits as determined by the Board of Trustees. The exact terms of the Plans are contained in the Plan documents, insurance policies issued by the insurance carrier(s), rules and definitions adopted by the Trustees in accordance with the Trust Agreements. Benefits, eligibility rules and procedures may change from time to time as the Trustees deem necessary. In the event of any discrepancy or disagreement or misunderstanding or conflict between this booklet and the Plan texts, the formal texts will govern and benefits will be administered according to the official Plan documents and applicable legislation. This outline includes all amendments made to the Plans to date and describes the benefits in effect as from February 1, 2017. It applies to active members of the Plans as of that date and to new members after that date.

This booklet is intended as a general guide only for you and your family and provides you with the information concerning your eligibility and procedures to be following when making a claim. Be sure to read this booklet carefully so you will be acquainted with all the various benefit provisions. Should any question arise as to the exact nature of your coverage, please contact the benefits office for definite determination.

You or any of your covered dependents have the right to request a copy of any or all of the following items:

- the sections of the Group Policy and/ or Plan Document that apply to you and your dependents,
- your application for group benefits; and

- any Evidence of Insurability you submitted as part of your application for benefits.

Manulife Financial reserves the right to charge you for such documentation after your first request.

Please read this booklet carefully and keep it in a safe place for your future reference.

**Your Board of Trustees**

# MARINE WORKERS WELFARE PLAN

## GENERAL INFORMATION

The Group Insurance is administered by a Board of Trustees representing The Marine Workers and Boilermakers Industrial Union.

An account is kept by the Administrator of the Fund for each Member which shows hours worked for a Contributing Employer for which contributions have been made for the purchase of group insurance. This account is called an Hour Bank Account.

Each month 140 hours will be deducted from your Hour Bank Account. The number of hours in your Hour Bank Account may never exceed 700 hours (enough to provide 5 months of coverage even though you acquire no hours during that period). Excess hours over this amount will be credited to the general reserves of the Fund.

## ELIGIBILITY

### Who May Be Insured

This Plan is for:

- Members of the Marine Workers and Boilermakers Industrial Union who work for Contributing Employers, and who are in good standing with the Union. A Member in good standing is a Member whose dues are paid to date.
- Any employees for whom coverage under this Plan has been approved by the Trustees.

### When You Become Insured Initially

If you are not a Member of the Union but you are working under the jurisdiction of the Union (i.e. on permit), you will only become eligible for coverage under the Welfare Plan/Hour Bank upon becoming a Member of the Union.

If you are a Member of the Union in good standing, you will be eligible for coverage immediately upon accumulation of 280 hours in your Hour Bank Account, and provided you are actively at work or available for work on the day you would ordinarily become insured. Should you not be working or available for work on the day your insurance would ordinarily start, the insurance for you and your dependents will be delayed until you return to work or are available for work.

Once coverage starts, you will continue to be covered as long as your Hour Bank contains sufficient hours to provide coverage.

**Extension of Coverage by Self-Payment (Union Members Only)**

If your Hour Bank falls below 140 hours, you will be sent a Self-Pay Notice to advise you of the payment you must make to maintain coverage for one month. If you wish to maintain your coverage for that month, you must make a self-payment for the number of hours that you are short. Payment must be made by the date shown on the Self-Pay Notice.

**THE ONLY WAY TO GUARANTEE CONTINUOUS COVERAGE IS TO SELF-PAY BY THE DATE SPECIFIED ON THE SELF-PAY NOTICE.**

Sometimes shortages occur because your employer did not report your hours on time. Also, remember that there is a lag month; for example, the January hours that your employer remits go towards your March coverage.

You may self-pay your coverage for yourself and your family from month to month provided that you are available for work within the jurisdiction of the Marine Workers Union. If you are working outside of the jurisdiction of the Marine Workers and Boilermakers Industrial Union (MWBIU), you will not be allowed to self-pay and the length of your coverage will be limited to the hours in your Hour Bank.

You may self-pay for all benefits except Weekly Indemnity and Long Term Disability.

Self-Payment is limited to a maximum of 12 continuous months unless you have been approved for Long Term Disability benefits or are in receipt of WCB/Worksafe BC wage loss benefits and have been approved for Life Insurance Waiver of Premium through Manulife Financial.

Self payment for Medical Services Plan, Extended Health and Vision Benefits is subsidized by the Fund for members who are receiving Long Term Disability benefits. Union membership must be maintained in order to qualify for self- payment.

If you take out a withdrawal or transfer card your coverage will continue until the end of the month in which you withdraw. If you have not paid union dues to the Union for more than three months, you will lose your Union membership and your coverage will be terminated as of the last day of the month in which your Union membership is terminated.

### **Do Not Ignore the Self-Payment or Shortage Notice**

If you receive a Self-Payment or Shortage Notice and you think it is incorrect, contact the Administrator – D.A. Townley:

by telephone: (604) 299-7482

or toll-free: 1-800-663-1356

**The only sure way to provide yourself with coverage for a specified month is to pay the Self-Payment or Shortage Notice by the date specified on the Notice.**

In the event that late hours are reported or other adjustments are found later, the hours will be credited to your Hour Bank for future use.

### **Reinstatement**

If your insurance has previously terminated because of insufficient hours in your Hour Bank Account, you will again become insured immediately upon accumulation of 280 hours in your Hour Bank Account.

Should you not be working or available for work on the day your insurance would ordinarily start, the insurance for you and your dependents will be delayed until you return to work or are available for work.

If upon termination of your Group Life Insurance you converted it in accordance with the section "Conversion Privilege", it will be necessary for you to submit evidence of insurability satisfactory to the Insurer before again becoming insured for Group Life Insurance.

### **Termination of Insurance**

The insurance for you and your eligible dependents will terminate:

1. The date you fail to have the required monthly Coverage Cost (currently 140 hours) in your Hour Bank Account.
2. If you cease to be a Member in good standing of the Union.
3. If you enter Military Service.
4. If the Group Policy terminates.
5. If you discontinue any required contributions.
6. the date you become eligible for other Group Insurance benefits similar to those for which you are covered under this Plan.
7. the date outlined in the Summary of Benefits.

A dependent's coverage will also terminate when he/she is no longer an eligible dependent.

### **Eligible Dependents**

Eligible dependents under this plan shall include:

- Unmarried children who are under age 19, or under age 25 if attending an accredited school, college, or university as a full time student. Dependent children must be dependent on you for support and not employed at a regular full-time job. With respect to Dependent Life Insurance, dependent children must be at least 15 days of age.

- Functionally impaired children who are totally dependent upon you for support. For the purposes of this plan, functionally impaired shall mean an unmarried person who was insured as a dependent prior to becoming functionally impaired who is wholly dependent upon you for support and maintenance within the terms of the Income Tax Act.

In order to be eligible, a child must be dependent on you for support and living with you or your spouse. If your spouse is working and has equivalent benefits through employment, you should be enrolled as a family unit both with the Marine Workers Welfare Plan and through your spouse's group plan for Extended Health and Dental benefits.

- A child of your spouse provided,
  - i) he/she is also your biological child; or
  - ii) your spouse is living with you and has custody of the child.
- Your spouse as the result of a valid civil or religious ceremony, or a person whose common-law relationship with you has existed for a minimum period of 12 consecutive months immediately prior to the date on which a claim arose.

Divorced or separated spouses (with or without a court order or separation agreement) are not eligible for Dependent Life Insurance coverage. Separated spouses with a court order stating that benefits are to be maintained will be eligible for Extended Health and Dental benefits.

No one will be eligible as a dependent while in military service.

**Deceased Members - Length of Dependent Coverage**

In the event of your death while covered under the Plan, benefits will continue for your eligible dependents until your Hour Bank runs out.

**Changes in Eligibility Rules**

These rules may be altered by the Trustees from time to time without the necessity of prior notice being made to those affected thereby.

**Change of Address or Beneficiary**

If you have a change of address or beneficiary, please notify the benefits office immediately.

**PLEASE NOTE: FAILURE TO COMPLY  
WITH THE ABOVE REQUIREMENTS MAY  
RESULT IN A DELAY OR LOSS OF  
BENEFITS.**

Once notice has been filed, it takes effect as of the date it was signed with respect to any payment made after the time it was filed.

If there is no designated beneficiary living at the time of death of the Member, then Manulife Financial shall pay the benefit to the estate of the Member.

You should review your beneficiary designation to be sure that it reflects your current intent.

For more information on the conversion privilege, please see your Plan Administrator. Provincial differences may exist.

### **Waiver of Premium Benefit**

If while insured for this coverage, you become disabled and qualify for the Waiver of Premium Benefit under your life insurance coverage, the Insurer will also waive the payment of your dependent life insurance premiums. Your entitlement to Waiver of Premium Benefit ceases on the earlier of a) the date your Waiver of Premium for Life Insurance ceases, or b) the date the policy or this coverage terminates.

### **CLAIMS**

Contact the benefits office as soon as possible to obtain the necessary claim forms so that the Dependent Group Life benefit can be paid on a timely basis.

## WEEKLY INDEMNITY

### **Benefit**

If, while you are covered under the Marine Workers Welfare Plan, you become totally disabled while you are employed as a result of a non-occupational injury or a non-occupational disease and are unable to work, the Weekly Indemnity benefit will provide you with an income of 70% of your gross earnings up to a maximum of \$575\* per (seven-day) week (whichever is the lesser amount), for as long as you remain totally disabled and unable to work, or up to the maximum benefit of 26 weeks (180 days), whichever is the lesser. No benefit is paid for any day on which you perform work of any kind for compensation or profit.

\* For claims incurred on or after January 1, 2016

The Weekly Indemnity benefit commences from the fifth day of disability due to sickness or the first day of disability due to an accident. Should sickness result in overnight hospitalization, benefits will commence on the first day of hospitalization if it is prior to the fifth day of disability. If the disability is due to an accident, benefits will commence from the day of the accident, unless the disability commenced more than four days from the date of the accident.

Where Weekly Indemnity benefits are paid for four weeks or longer, the benefit will become retroactive to the first day of disability (i.e. you will receive payment for the first four days that was withheld when the claim started).

**NOTE:** Benefits will not be paid for any period of time prior to seeing a doctor.

Chiropractors are allowed to sign Weekly Indemnity claim forms for up to a maximum of six weeks. Dental surgeons are allowed to sign Weekly Indemnity claim forms for up to a maximum of two weeks.

Benefits will not be paid for more than a month at a time as you must be under the regular care of your doctor and following a treatment plan. Supplementary reports will be required to substantiate on-going disability.

NOTE: Be sure to register a claim for sickness benefits with the Employment Insurance Commission before you have received the 12th week of Weekly Indemnity benefits if your doctor says that you may not be able to return to work within a month. If you qualify for Employment Insurance sickness benefits, they may pay you such benefits for up to a maximum period of 26 weeks, depending on how many hours you had worked prior to becoming disabled.

### **Recurrent Disability**

Successive periods of total disability separated by less than two weeks of active work or availability for active work shall be considered as one period of disability and will be paid from the first day of disability, unless the subsequent disability is due to injury or sickness entirely unrelated to the causes of the previous disability and commences after return to work or availability for work. The maximum Weekly Indemnity benefit period for all disabilities related to the same cause is 26 weeks unless you return to work for more than two consecutive months and become subsequently disabled for the same cause. In this case, the second period of disability will be treated as a new claim.

NOTE: Members on self-pay are not eligible for this benefit. Weekly Indemnity benefits are payable only to members of the MWBIU who are covered under the Plan at the date of disability. Dependents are not eligible for this benefit.

### **Extension of benefits**

If you are disabled on the date your coverage terminates, Weekly Indemnity benefits will continue until the end of the benefit period under the Plan (26 weeks), or until you recover, whichever first occurs.

### **Reporting of Claim**

You must file your completed claim for Weekly Indemnity benefits within 10 days of the initial assessment of the attending physician or within 10 days from the date you received notification from WCB/Worksafe BC that your claim has been denied or terminated because it has been deemed to be non-occupational.

### **Limitations**

No benefit will be paid during a period:

- a) Of disability in which you fail to submit satisfactory medical evidence if requested to do so by the Plan;
- b) You are entitled to Long Term Disability benefits;
- c) You are not under full time treatment by a duly qualified physician;
- d) Of disability in which you have a right to claim wage loss or rehabilitation benefits from WCB/Worksafe BC;
- e) You are outside of Canada for more than two weeks unless the Plan has approved that benefits will be continued prior to your leaving BC;
- f) You do any kind of work for pay or profit;
- g) You fail to execute the Loan Agreement;
- h) Of disability in which you have the right to recover any wage loss from a third party;
- i) You are confined to a prison or similar institution.

### **Exclusions**

No amount will be payable under this benefit for any disabilities which arise from the following causes:

- a) Commission of or attempt to commit an assault or criminal offence;
- b) Medical or surgical care which is cosmetic, unless such care is rendered as a result of reconstructive cosmetic surgery and you submit satisfactory proof that such care is medically necessary and is performed to restore tissue damaged by disease or accidental bodily injury;
- c) Occupational injury or illness;
- d) Self-inflicted injury or illness except alcohol or drug addiction for which you are under treatment;
- e) Injury or illness resulting from willful participation in war, riot or insurrection or in disorderly conduct or in an unlawful assembly or from the commission of an unlawful act, including an offence under the Criminal Code of Canada;
- f) Routine pregnancy.

## **False Claims**

Benefits will be discontinued if you have intentionally failed to disclose or misrepresented a material fact to the Welfare Plan in applying for a claim. All monies received by you or paid on your behalf must be returned to the Plan.

No benefits will be paid for any period for which you have received or will receive regular wages or Employment Insurance or holiday pay or for any paid statutory holidays or any other incomes accruing from employment, or for any period of disability that commenced prior to the effective date of your coverage under the Welfare Plan.

When you are maintaining your Welfare Plan coverage on a full self-pay basis, Weekly Indemnity benefits coverage will not be available, but this restriction does not apply where coverage is maintained by partial self-payments plus some hours arising from employment.

## **How to make a Weekly Indemnity Claim**

1. Contact your doctor immediately upon becoming disabled.
2. Obtain a Weekly Indemnity claim form from the Welfare Plan office.
3. You must complete all the questions on the front of the claim form and sign it on both sides.
4. Ask your doctor to complete the Physician's Statement on the back of the same claim form.
5. Take or send the form back to the Welfare Plan office for processing.
6. When your claim is assessed and approved, you will receive your benefit cheques by mail sent to your home address. You should receive your first cheque within a week after receipt of your properly completed claim form, unless there are complications regarding your claim or more information is required.

**NOTE:** The charges made by your attending Physician for the completion of the Weekly Indemnity form and any supplementary forms are your responsibility.

### **Third Party Liability**

Weekly Indemnity Benefits may be payable to you if you would otherwise be working but are totally disabled and therefore experience wage loss. It is not intended to apply to work-related absences, which are covered by WCB/Worksafe BC, or disabilities which are the result of the act or omission of a third party.

However, Weekly Indemnity benefits may be advanced to you for disabilities due to an accident in which a third party is liable only when you sign the appropriate Subrogation form and undertake to endeavour to collect at least the amount of benefits paid by the Marine Workers Welfare Plan and refund same to the Plan. The Trustees may, at their discretion, allow you to discontinue action to collect from a third party when, in their opinion, there is little or no hope of collection. For more information on this, please see "Benefits Payable Where a Third Party is Involved" page 70).

In the event of an overpayment of benefits, you will, be required to reimburse the Plan the full overpayment on your claim.

## LONG TERM DISABILITY

### Member Long Term Disability Benefits

In the event that you become totally disabled from a non-occupational disease or injury for the required period of time known as the Qualifying Disability Period and you are under the continual treatment of a legally qualified physician deemed appropriate by the Insurer, you will receive a monthly income benefit.

Qualifying Disability Period	➤	The expiration of Weekly Indemnity benefits (up to 26 weeks) and the expiration of Employment Insurance Sickness Benefits (up to 26 weeks).
Monthly Benefit	➤	\$2,000
Maximum Disability Period	➤	to age 65.

Benefits will not be payable beyond age 65, unless you satisfy the Qualifying Disability Period while age 64, in which case benefits will be payable for a maximum of 12 months. In no event shall benefits be payable after your death, recovery, or attainment of age 66

If you receive an increase to a prior government disability income benefit (including partial disability pensions payable under an WCB/Worksafe BC Act) because of a current disability, then only the initial amount of such increase in the government benefit will be used to offset this benefit.

Application for whatever WCB/Worksafe BC and/or Canada Pension disability benefits to which you may be entitled must be made prior to claiming under this Plan.

If you have a claim for benefits under WCB/Worksafe BC and/or Canada Pension that is under dispute, you will be required to complete an irrevocable assignment of the WCB/Worksafe BC and/or Canada Pension disability benefit, if and when received, in favour of the Plan. The Plan may withhold from the Long Term Disability benefit an amount equal to the WCB/Worksafe BC or Canada Pension disability benefit until the dispute is resolved one way or the other.

**Taxability of benefits:** The benefit is fully taxable.

### **Total Disability**

You are considered totally disabled, during the first 24 months in which you receive benefits, if you are unable to perform any and every duty of your occupation. After this period you are considered totally disabled if you are unable to perform any and every duty of any occupation for which you are reasonably qualified by training, education or experience.

In order to determine eligibility for benefits during the first 24 months, you may be required to be examined by a medical doctor chosen by the Plan or the insurance company. In order for benefits to continue beyond the first 24-month period, you may again be required to be examined by a medical doctor chosen by the Plan or the insurance company.

To remain qualified for benefits, you must be under the regular care and personal attendance of a licensed doctor of medicine. Statements of continuing disability signed by your attending physician will be required on a regular basis.

### **Recurrent Disability**

If a disability recurs and it is due to the same or related causes, it will be considered as one continuous disability and will not be subject to the Qualifying Disability Period unless you have returned to active, full-time employment for a period of 6 consecutive months or longer.

If your new disability is due to causes unrelated to your prior disability you may be eligible for a new disability period, subject to the Qualifying Disability Period, if you have returned to active work for at least one full day.

### **Offsets**

The Amount of Disability Benefit payable to you is the Benefit Amount shown in the Summary of Benefits page, reduced by any disability benefits you receive or are entitled to receive from the following sources for the same or related disability:

- Canada or Quebec Pension Plans, excluding dependent benefits;

- WCB/Worksafe BC;
- any group, association or franchise plan;
- any retirement or pension plan;
- earnings or payments from any employer, including severance payments and vacation pay;
- any government plan, excluding Employment Insurance Benefits;
- any government motor vehicle automobile insurance plan or policy unless prohibited by law.

**All Source Maximum:**

If necessary, the amount of your benefit will be further reduced so that your total income from all sources does not exceed 85% of your pre-disability gross earnings. All sources include those sources stated above and any benefit you are entitled to receive from:

- Long Term Disability benefits under this plan;
- Canada or Quebec Pension Plans' dependent benefits; and
- If you are participating in a Program of Rehabilitation, income from the Program of Rehabilitation.

If you are participating in a Program of Rehabilitation, total monthly income while disabled cannot exceed 100% of your pre-disability Earnings as of the date disability commences. If total income exceeds 100%, the Long Term Disability Income benefit will be reduced by the amount of such excess.

**Reduced Monthly Benefit:** If you are disabled and eligible for full benefits and elect a different and lesser paid occupation not related to the Program of Rehabilitation, the gross benefit less reductions shall be further reduced by 50% of the earnings from the lesser paid occupation elected, subject to the All Source Maximum described in this section.

**How to make a Long Term Disability claim**

Contact the benefits office to obtain the appropriate forms. You must file your claim for Long Term Disability benefits within six months from the date of your disability.

### **False Claims**

Benefits will be discontinued if you have intentionally failed to disclose or misrepresented a material fact in applying for a claim. All monies received by you or paid on your behalf must be returned to the Plan.

### **Exclusions and Limitations**

No benefits are payable to an insured Member for any total disability commencing within twelve months of the insured Member's effective date of insurance if the disability is caused or contributed to by a sickness or accidental injury for which the Member has received medical treatment services or has taken a prescribed drug at any time within ninety days before his or her effective date of insurance.

#### **Benefits are not payable for the following:**

- for any portion of a period of disability unless you are receiving ongoing supervision/treatment by a physician deemed appropriate by the Insurer for the impairment which is causing the disability. You will not be paid for any portion of a period of disability during which you do not participate in the treatment program recommended by said physician;
- for any portion of a period of disability during which you are receiving treatment by a therapist unless such treatment is recommended by a physician deemed appropriate by the Insurer;

  - a) imprisoned in a penal institution; or
  - b) confined in a hospital, or similar institution, as a result of criminal proceedings;

- any period of disability, or portion thereof, during any leave of absence (including maternity leave) as defined in the General Provisions section of this booklet;
- for a disability which commences on or after the date a strike begins, except as outlined in the Master Policy; however, a Member can fulfil his Qualifying Disability Period during a strike;
- to an insured individual who refuses to participate in a rehabilitation program which is deemed appropriate by the Insurer, the attending physician or on the advice of independent medical opinion; or
- to an insured individual who is receiving any WCB/Worksafe BC benefits or benefits from similar law.

### **Subrogation**

If you are entitled to recover compensation for loss of income from a third party as a result of the incident which caused or contributed to the disability, for which benefits are paid or payable, the Insurer will be subrogated to all your rights of recovery for loss of income, to the extent of the sum of benefits paid or payable by the Insurer. You shall execute such documents as required by the Insurer.

In the event that you provide proof to the Insurer that you have not recovered full compensation for loss of income, the Insurer shall determine the proportion of damages actually recovered and share pro rata in that amount.

Should you choose to settle the matter prior to judicial determination, it is understood that the sum reached in settlement will be deemed to be full compensation for loss of income, and the Insurer's right of subrogation will apply.

The term compensation shall include any lump sum or periodic payments which you receive or are entitled to receive on account of past, present or future loss of income.

## **Disability Case Management Program**

Manulife Financial has developed a disability case management program.

The purpose of this program is to assist you, in the event that you become totally disabled and qualify for benefits, to return to productive employment. Our disability case management team includes medical consultants, claim adjudicators and a field coordinator. This team will work with you, your employer and your physician to assist you to recover and return to the workplace.

## **Rehabilitative Employment**

If you are disabled, the Insurer may recommend that you undergo some suitable rehabilitative training program which would take into account the nature and limitations of your disability. Further details on this aspect will be provided in the event that you become disabled.

Participation in an approved Rehabilitation Program early in your disability may improve your chances of recovery. Expert vocational and physical rehabilitation counsellors assess the level of disability and set goals.

Help may include:

1. Coordinating return to work;
2. Suggesting workplace devices and modifications;
3. Negotiating a slow return to modified duties;
4. Developing alternative income sources;
5. Helping with vocational testing;
6. Job training or work-related activity;

The Monthly Integrated Benefit will be calculated, using the Rehabilitation Reduction, to reflect participation in the Rehabilitation Program.

### **RIGHTS TO COPIES OF DOCUMENTS**

Effective July 1, 2012, if an Employee/Member lives in British Columbia or Alberta, they have the right to request, with reasonable notice, copies of documents that relate to the plan. Legislation allows for them to obtain copies of the following documents:

- Their enrollment form or application for insurance;
- Any written statement or other record, not otherwise part of the application, provided to the insurer as evidence of insurability; and
- A copy of the contract/policy.

The first copy will be provided at no cost to the Employee/Member and a fee may be charged for subsequent copies. All requests for copies of documents should be directed in writing to D.A. Townley.
